“A S we move from one class to another, five days a week, month after month, we begin to feel that our school is just a dull old place that has been here and will be here for centuries. This isn't true because our alma mater, Fair Park, has a most interesting background and is a comparatively new school.

In 1926 the old Shreveport High on Hope Street was transferred to the new building of C. E. Byrd on Line Avenue. However, in just two years, this building was crowded so much that a need was seen for another high school. Thus, in the spring of 1928 a field on the edge of the Greenwood Road was chosen, and the building of the new school was begun.

At a total cost of \$481,000, including the building site and furnishings, the Fair Park High School was completed and ready for the fall semester of 1928-29 school year, although just freshmen and sophomores were moved to the new school.

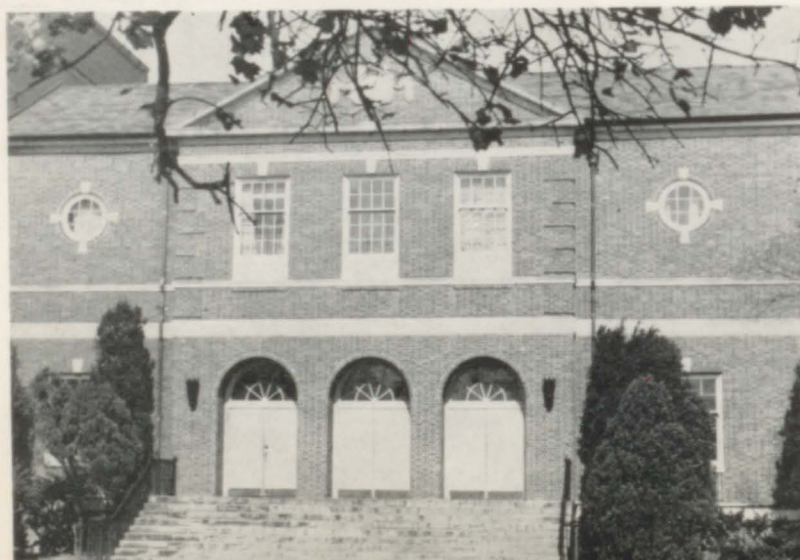

In the 1929-30 school year many clubs sprang up and such sports as football, basketball, and track were taken up. It was in this year that the Pow Wow was founded under the sponsorship of Miss Delia Munday. It was also during this session that Fair Park became a fully accredited high school. In 1931 the Pow Wow was in the full swing of events. It was in this year that the first Sequoyah was published by the senior class.

We are very fortunate to have an original alma mater song at Fair Park. Few high schools do. While Mr. Hines Sims was band director between 1935 and 1944, the song was written by him.”

—The Pow Wow, January 19, 1950

Fair Park has had only two principals. Mr. J. W. Ward served as the first. Mr. E. L. Alberson, our present principal, came in January 1937, after the death of Mr. Ward. Mr. E. H. Herron, the Assistant Principal, has been at Fair Park since 1931.

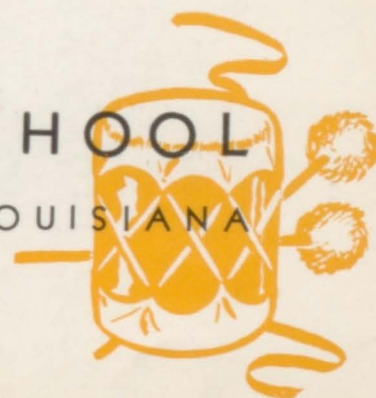

These men have watched Fair Park grow in enrollment to 1350 students and 57 faculty members. They have seen the building enlarged and the curriculum expanded and enriched.

MARDI GRAS

Excitement was in the air as the sound of the trumpets heralded the beginning of the 1950 Mardi Gras celebration at Fair Park. The Ladies of the Court, gowned in white taffeta and escorted by their Lords, were the first to make their appearance. The Jester amused the audience and attendants with his antics. Then came the Queen, resplendent in white satin

and gleaming gold, escorted by the King, and followed by the trainbearers and crown bearer.

The Court—Herald, Jerry Gunnells; Jester, Bob Shirley; Train Bearers, Darene Day and Linda Tilton; Crown Bearer, Russell Herron; Trumpeters, Bob Poythress, Harvey Allen, Boyce Treadwell and Bob Price.

Left to Right—Lady Betty Bacon, Lord Kenneth Fountain; Lady Barbara Jeter, Lord Harold Primos; Lady Barbara Ward, Lord Don Stinson; Princess Mary Ann Attaway, Prince Billy Ray Elkins; Lady Carolyn Watson, Lord Paul Kennon; Lady Jo Nell Swiney, Lord Tommy Davis; Lady Carolyn Morris, Lord Johnnie Crumpler.

The Mardi Gras this year was under the direction of Miss Juanita Cardozier, Mrs. Virginia King and Mrs. Ruth Johns.

The stage settings were made by the Woodwork Department, and the decorations by the Art Department and members of the Student Council.

After the Coronation ceremony, the Court and student body attended the gala Mardi Gras Ball.

PELICAN STATE

Each year a group of boys and girls from Fair Park are privileged to attend the mythical state of Pelican, the forty-ninth state in the Union. The sessions are held in the summer on the campus of Louisiana State University. There much is learned about the organization of our government. Practical knowledge is also acquired because Pelican State is governed by the boys and girls who are elected by the citizens of each session.

MARSHALL DEFEATS INDIANS IN SEASON'S OPENER

The Redskins found the going rough in the first game of the year against the new fast-breaking split-T of Marshall.

With their ace quarterback, Jack McMurray, leading the way, the Mavericks took home a 14-7 victory over the baffled Indians. McMurray accounted for 169 of the 242 yards gained by Marshall over the hard-fighting charges of Coach Prendergast.

Fair Park's only score came late in the 4th quarter on a 22-yard pass from Walter Crain to Don Stinson who outran the Marshall secondary the remaining 35 yards to the goal.

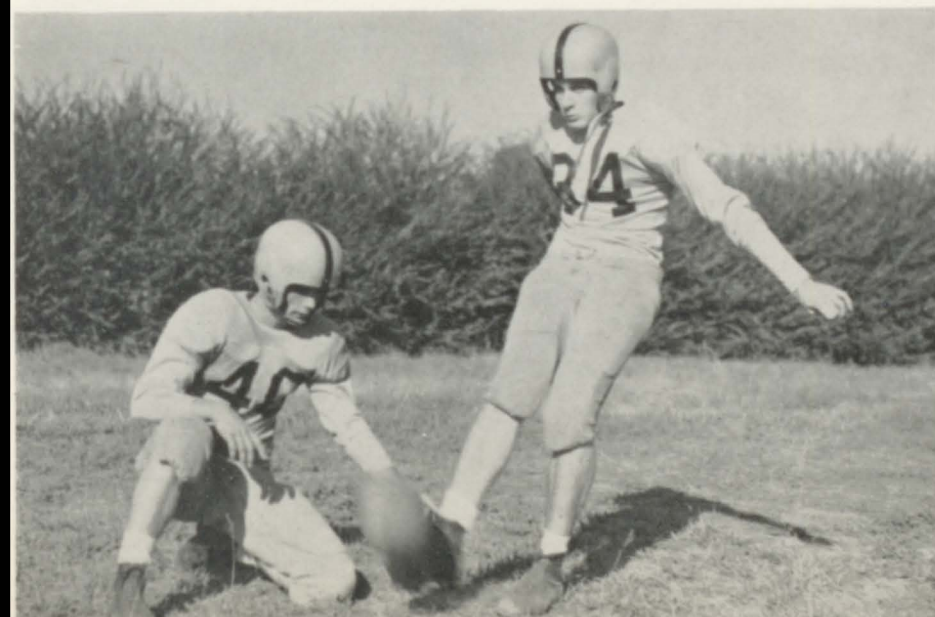

Fred Howell converted for the Indians while Wendt and Duncan made the points after touchdown for Marshall.

INDIANS DEFEAT SMACKOVER

The Indians' first victory of the season came in their second game. After a loss in the season's opener, the Fair Park boys took a 20-0 victory over the Smackover Buckaroos. The game wasn't as easy as the score indicated, for Smackover was the Co-Champion of Arkansas last year, and they had plenty of fight. Shorty Russell scored two touchdowns, and Buddy Crain added the other tally. Fred Howell converted two extra points to round out the scoring.

BOLTON 14—FAIR PARK 14

Fair Park and Bolton battled to a 14-14 deadlock in Alexandria. The Indians came from behind in the third quarter.

For Bolton, Schroll scored both touchdowns and both extra points. Midway of the third period Hampton passed 21 yards to Embry for a score. A very few minutes later Schroll made their second score, and the conversion. Later in the same period Hampton drove over from the one for the final score. Again Howell's perfect conversion tied the game.

TRIBE LOSES 25-7 TO HAYNESVILLE

In their first conference game of the year,

Fair Park was neatly set down by a hard-blocking Golden Tornado 25 to 7.

Haynesville scored three touchdowns in the first half while holding the Indians to a net gain of six yards.

Their last touchdown came on the first play they ran in the second half. Davis went 20 yards for the score.

Buddy Crain, whose passing was the chief threat for the Fair Parkers, tossed one 11 yards to Buddy Embry for the only score for the Tribe. Howell converted for the extra point. In the line, the standouts for Fair Park were Tommy Tyra, Wade Williams, Clint Griffith, and Buddy Embry.

FAIR PARK—39—ISTROUMA 0

The Indians united a powerful ground attack and trounced the Istrouma Indians 39-0 in Baton Rouge. On the third play of the game Bobby Brown drove seven yards for the first score.

Two minutes later Walter Crain ran around left end for the second T. D.

Crain passed 11 yards to Donald Wineman for the third score, and three minutes before the half Rogers Hampton went over from the one for another. In the third period Allen Costello went 27 yards over right tackle to pay dirt, and wound up scoring again in the fourth period with a 17-yard run through the center for the final score.

Tommy Davis, making a good substitute for Fred Howell, made three of the six tries.

FAIR PARK 14—OUACHITA 6

The Fair Park Indians downed the Ouachita Lions 14-6 in Monroe, La.

"Shorty" Russell ran 55 yards to the 10-yard line, setting up the first score. Thereafter, receiving a pass from "Twinkle Toes" Crain for the score. Ouachita blocked an Indian punt and Boatright went over from the one for their only score. Crain threw a 46-yard pass to Wineman.

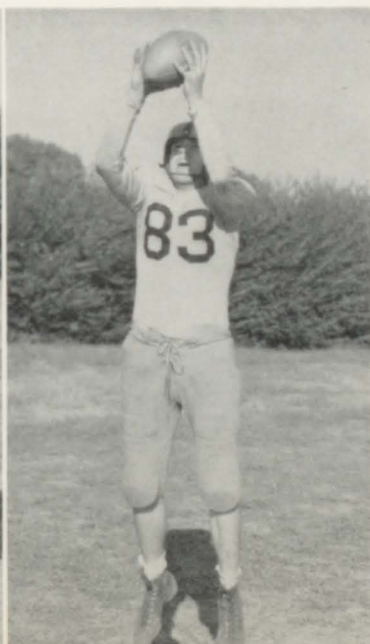

Again Russell boomed over for the second score of the evening. Fred Howell kicked both conversions.

FAIR PARK DEFEATS LAKE CHARLES

The Indians made sweet revenge on the Lake Charles Wildcats with a 21-0 victory at the Fair Grounds. This is the first time since the two teams have been playing that Fair Park has won.

With only seconds left in the first half Crain scouted around left end for the first score. The Indians scored again as soon as they got their hands on the ball in the last half. Howell converted his second point.

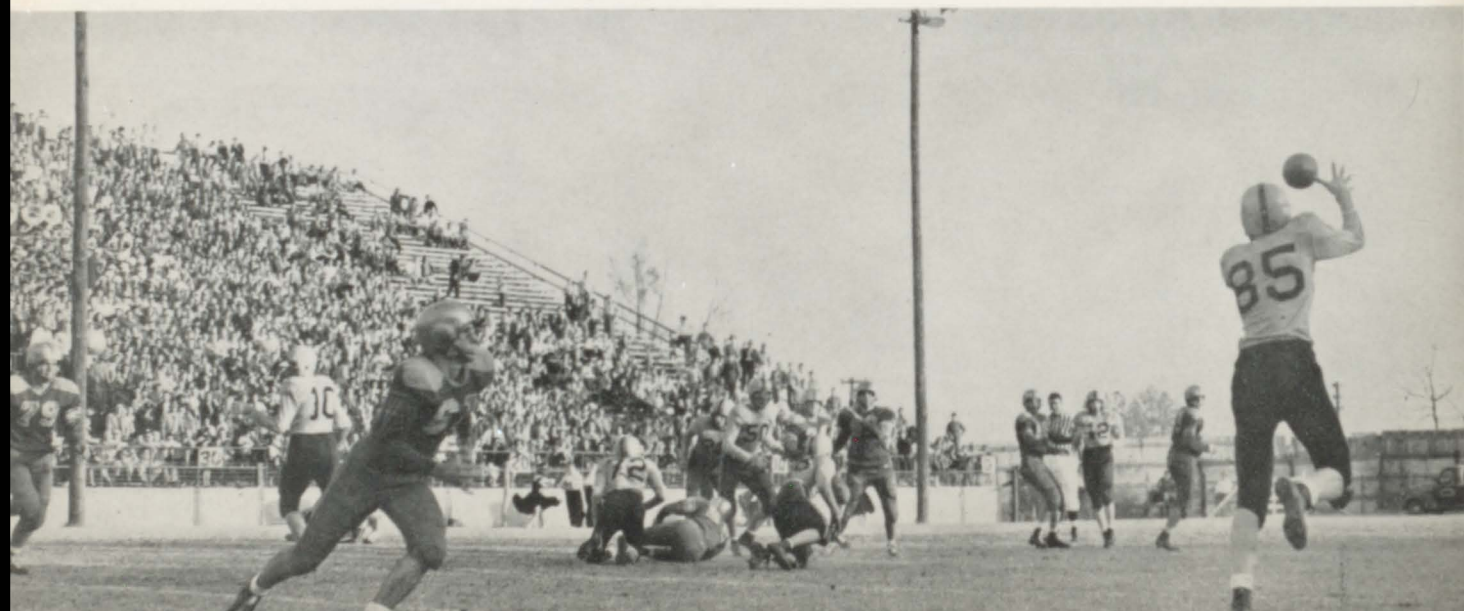

For the final score Hampton passed from the 15 to Billy Ray Walker. Howell again made the point.

Out of 17 tries Howell has converted 15. He has saved two games with his conversions.

INDIANS DOWN BEARKATS 14-0

Fair Park won its fourth straight game at the expense of their rivals from across the river, the Bossier Bearkats.

Bossier took the opening kickoff, but their offense bogged down on the Tribe's 38-yard line. The Indians went to work and moved the pigskin to the 2-yard line where Buddy Crain carried it across.

Fred Howell's conversion made the score 7-0. The second Fair Park score was set up by a 27-yard pass from Roger Hampton to right end Paul Kennon on the Bossier 19-yard line. More passes put the ball on the 1-yard line, where fullback Charles Russell bulled across

for the score. Howell again converted to end the scoring for the night.

FAIR PARK EDGES NEVILLE 20-18

Co-Captain Charles Russell blocked two extra point tries and Fred Howell kicked two extra points to lead Fair Park to a hard-fought 20-18 victory over the Neville Tigers.

Buddy Crain scored and Roger Hampton added another touchdown for the Indians. W. T. Brown, Wayne Baugh, and Benny Heidenreich tallied for the Tigers.

Fair Park made 11 first downs and moved the ball 168 yards on the ground compared with 9 first downs and 140 yards gained for Neville.

INDIANS VICTIMS OF BYRD YELLOW JACKETS

After this year's Thanksgiving game the remark, "We'll get 'em next year," could be heard circulating through the crowds of Fair Parkers leaving the stadium. This was the result of the second consecutive 14-0 defeat hung on Coach Prendergast's charges.

The fighting Indians put up a terrific struggle before bowing to the Yellow Jackets in a slam-bang defensive grid encounter.

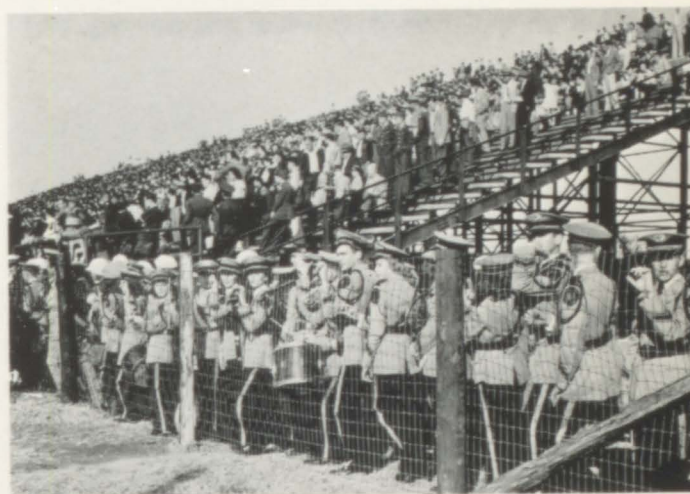

Willard Rachal set up the first Byrd touchdown with a 60-yard run to the Fair Park six-yard line in the first quarter. Bennett Johnston burst off left tackle for eight yards for the score.

Rachal also sparked the last Byrd scoring drive and climaxed it by slashing off tackle for the score in the third period. Charles Worley kicked both extra points.

Clint Griffith put on a marvelous show for Fair Park with Buddy Crain also playing hard.

As the book goes to press, the basketball season is just under way. So far the team has a fair record, with several victories in the league. The big gun in the Indian attack has been Roger Hampton, who has dropped in 56 points. The team has improved with every game, and we predict better things from the boys later on. The basketball team is coached by Clem Henderson with David Sutton as Manager.

TENNIS

Last year, Fair Park fielded its second tennis team since the war and it was one to be proud of.

Led by Captain Deacon Embry, they smashed their way to four victories, two ties and no defeats. They also won three first places and one second place victories at the North Louisiana Tournament at Natchitoches for the North Louisiana Class AA Championship.

Last year's team lettered five men. They were: Embry, Mills, Robbins, Durham and Shirley, the only returning letterman.

The top candidates for this year are Shirley, Claire Parsons, and Latrelle Lewis.

The Fair Park Chapter of the Junior Red Cross is an organization whose motto is "Service." This theme is noted in all undertakings of the group. The faculty sponsor for several years has been Miss Annie Laurie Cook. The officers and representatives of this year, under her direction, have planned and executed many notable projects. Some of these are the membership drive, the sale of the school alma mater, the sale of corsages for the Thanksgiving game, the filling of gift boxes for foreign lands, and the aid given the Tuberculosis League in preparing the Christmas Seals for mailing.

The Happy Students—"Los Alumnos Felices"—is the name of the gay Spanish Club, whose sponsor is Miss Mary Holland. This lively club enjoys learning about our Latin-American friends. Each year the club's main project is celebrating Pan-American Week. The halls and the cafeteria are gaily decorated with the bright colors, loved by our friends across the border. The whole school enjoys a meal of typical Mexican food in the cafeteria. Other projects that the club takes part in during the year are their annual trips to the El Patio and their correspondence with students in Mexico and other foreign countries.

The boys decided that a fitting motto for their organization was: "This is the issue: Shall truth prevail?" Around this principle they have sought to broaden their minds, facing issues with facts, making themselves alert to both sides of the question. Their desire is to improve their speech and argumentative skills. The Boys' Debate Club is under the able direction of Mr. James Noel.

Prospective teachers make up the membership of a very new club at Fair Park. They have the distinction of being the only club in school with a national charter. To receive this charter the local chapter at Fair Park had to choose an educator in this vicinity for whom to name their club. Dean R. E. Smith was the choice. Their able advisor is Miss Meva Andrews.

This large group of Senior Y-Teens is composed of fifty-two girls. Under the able direction of Mrs. Jennie Jones and Mrs. Fern Turner, they have selected as their name the "J-Teens." These girls strive to be better citizens of their country, community, and school by giving service to others and developing mentally, spiritually, and physically. Among their projects they have sent candy bars to the children of Europe and bought linens for the old folks home. Believing that too much work makes one one-sided the social part of life is given some attention.

This group of Freshmen Y-Teens call themselves the Choctau Chums. They have as their aim the following ideal:

I am only one;
But I am one.
I cannot do everything.
But I can do something.
What I can do I ought to do;
And what I ought to do,
By the grace of God, I will do.

Their projects of spreading friendship and goodwill are typical of the work that the YWCA carries on. Mrs. Annie Lou Barlow is the sponsor of this group of girls.

“ A ” CHOIR

This year marks the largest group of vocal students ever to be enrolled at Fair Park.

There are three choirs, comprising some one-hundred and fifty students while the five girls' glee clubs total three hundred persons. Extracurricular groups are the Boys' Glee Club, and the Girls' Ensemble and Girls' Sextet.

A highlight of the year's work is always the Christmas program given for the assembly. This program features the combined efforts of all vocal students.

Requests from various business clubs and organizations as well as churches give the choir an opportunity to sing before various audiences.

The Shreveport Symphony Orchestra has asked the vocal department to be a part of their Christmas program at the Municipal Auditorium for the past two years.

The work of the Sequoyah Staff begins during the summer, long before school starts. The combined staffs work hard to put out a book that the students will like and enjoy, and it is with a sense of achievement that they look back over their work to say, "I had a part in making that yearbook." It is the job of the Editorial Staff to decide on the theme, lay out the book, choose the cover, have all pictures made and organize them, and write all of the copy.

The Ad Staff must sell ads and attend to the financial part of the Sequoyah. Their work makes possible the work of the Editorial Staff.

The Ad Staff is divided into teams. These teams contact the business organizations of our city and sell the advertising which appears in the ad section of the yearbook.

A new department this year is the Circulation Staff which sees to the sale of the Sequoyah, the payment of them, and their distribution after the book is completed.

Behind the scenes we find the faculty sponsors who give much time and effort to making the Sequoyah "tops." They are Margaret McKenzie, Advisor of the Editorial Staff; Earline Jordan, head of the Ad Staff, and Ouida McClellan of the Circulation Staff.

As James Russell Lowell said—

"The secret of force in writing lies not so much in the pedigree of nouns and adjectives and verbs, as in having something that you believe in to say, and making the parts of speech vividly conscious of it."

Although working under many handicaps, this truly is what the "Pow Wow" of Fair Park tries to do in their publishing of a high school paper. Under the direction of Mr. E. N. Lewis, the staff has advanced far in the journalistic field this past year.

Faculty Advisor—MRS. LOUISE MONETTE

An entirely different aspect of the Pow Wow is seen by the Pow Wow Business Staff. They know none of the hours spent writing columns, editorials and such. Most of their time is spent getting ads. They are also in charge of getting subscriptions at the beginning of each semester and of distributing the paper to the students.

Taking care of this part of the paper has been the job of Mrs. Louise Monette and her capable staff members.

A cheery "Buy a Program" is the cry that greets attenders of the football games. Girls in charge both of selling the programs at the games and selling ads for the programs in the summer are members of the Program Ad Staff. A great service is rendered by this staff which is sponsored so capably by Miss Loryne Martin.

Even though their work ends with the football season, these girls find it hard to disband. As a result various social events are held throughout the year.

The value of the telephone isn't just the calls you make. Sometimes the calls you receive are even more important. You'd miss a lot if the telephone wasn't there.

Just on calls you make, the telephone's a big bargain in convenience, security, success and good times. When you add the calls you receive, it's an even bigger value.
